DEGREE PROGRAM: MASTER OF ARTS IN NURSING (MAN)
Major in: Maternal and Child Nursing (with thesis)

Program Description:

The Master of Arts in Nursing is a graduate program for those who desire advancement in the nursing profession. It is designed to meet a broad range of new specializations in the field of nursing in a medical facility or in a community setting. It aims to respond to the need for nursing management expertise or expertise in the practice of the profession in various settings through an advanced and updated course of study. Emphasis is on the development of leadership skills in the key areas of nursing responsibility.

Admission Requirements:

The program is open only to students with undergraduate degree in Nursing and preferably with appropriate job-related experience to evidence familiarity with the practice of nursing.
